Upon comparing our stats from March to April (short-term), it's evident that the crime prevention efforts implemented by all involved have yielded positive results. We remain committed to further enhancing our efforts! Nevertheless, we must reiterate to our homeowners and tenants that there has been a notable increase in the number of doors/sliding doors/garage doors/gates left open (44 premises in April compared to 35 in March), leading to unnecessary alarm triggers. Urgent intervention is needed.

We once again urge our homeowners and tenants to coordinate with their garden/pool/window, or other service providers to collect keys for their premises. The excessive alarms triggered by these services result in unnecessary visits to reset alarms, consuming valuable time dedicated to crime prevention. These services are kindly requested to retrieve keys and notify our control room of their entry using the following contact numbers.

Control room 082 865 8363.

PLEASE BE VIGILANT AND CAUTIOUS!!

REMEMBER WE ALWAYS HAVE YOUR BACK!!
