Crime summary for the period of March - June 2024

Looking back at our crime statistics over the past four months:

March:	10 incidents

May:	9 incidents
June:	8 incidents

In summary, we can proudly say that our response teams are highly dedicated to their primary function of protecting and supporting our community. Their prompt actions are certainly having a significant impact!

An urgent appeal to Homeowners and Tenants

The issues with doors, sliding doors, windows, and garage doors being left open is not improving and needs serious intervention again. This results in unnecessary trips to and from houses to secure them, wasting time that could be spent on crime prevention efforts. Going forward, we will focus on whether the responsibility lies with domestic staff or homeowners/tenants who are not assisting with securing the house safely.

March:	35 vacant unsecured homes
April:	44 vacant unsecured homes
May:	47 vacant unsecured homes
June:	59 vacant unsecured homes

Notice to Service Providers

Reflecting on the past month, we commend our service providers and homeowners for their efforts in reducing false alarms, with only 14 recorded in June. We will continue to closely monitor this progress moving forward.

PLEASE REMAIN VIGILANT & CAUTIOUS!

REMEMBER WE ALWAYS HAVE YOUR BACK!!
