March:	35 vacant unsecured homes
April:	44 vacant unsecured homes
May:	47 vacant unsecured homes
June:	59 vacant unsecured homes
July:	35 vacant unsecured homes

Well done to everyone involved in reducing the crime statistics to the level we saw in March. With continuous intervention by homeowners, tenants, and domestic workers, we can still improve these numbers. Please remember to keep doors, windows, and other entry points closed when leaving the house.

Notice to Service Providers

After monitoring the past two months, we have observed a definite increase in false alarms triggered by service providers:

- June: 14 incidents
- July: 26 incidents

Our office will contact the service providers to address the issue of false alarms. If this does not resolve the problem, we will need to involve homeowners to intervene with their service providers.

PLEASE BE VIGILANT & CAUTIOUS!
REMEMBER WE ALWAYS HAVE YOUR BACK!!
