### **Notice to Service Providers**

After monitoring over the past few months, we have identified the following patterns in false alarms triggered by service providers:

June	14 incidents
July	26 incidents
August	15 incidents
September	10 incidents
October	26 incidents

This is an urgent notice to all our service providers: the number of alarm activations due to service providers not giving prior notice before entering Calibre-protected premises has once again risen. Please inform our office before entering any premises to perform services. These unnecessary activations result in avoidable trips by our Response Officers, whose main focus is property protection and crime prevention.

**STAY VIGILANT AND CAUTIOUS -  
REMEMBER WE'VE ALWAYS GOT YOUR BACK!**
