We're seeing a slight increase in reported cases and significantly more movement in and around our town as we step fully into the festive season. Remember, your safety is our priority. Let's stay vigilant and work together to keep our town safe and secure throughout this festive period!

### **Notice to Homeowners and Tenants regarding UNSECURED doors, windows, gates & other entry points**

April	44 vacant unsecured homes
May	47 vacant unsecured homes
June	59 vacant unsecured homes
July	35 vacant unsecured homes
August	30 vacant unsecured homes
September	27 vacant unsecured homes
October	28 vacant unsecured homes
November	42 vacant unsecured homes

There's been a noticeable increase over the past month - let's all take extra precautions this festive season by securing our homes. With plenty of "shoppers" visiting our town, some may be on the lookout for opportunities - let's not make it easy for them!

### **False Alarms triggered by Service Providers:**

After monitoring over the past few months, we have identified the following patterns:

June	14 incidents
July	26 incidents
August	15 incidents
September	10 incidents
October	26 incidents
November	24 incidents

The number of unnecessary alarm activations caused by service providers failing to notify Calibre before entering protected premises has risen again in the past two months. This directly impacts our Response Officers, diverting their focus from property protection and crime prevention.

Please ensure our office is informed prior to entering any Calibre-protected property. Repeated non-compliance will prompt further action as we work to minimize these disruptions. Additional notices will be issued to both clients and service providers to address this ongoing issue.

**WE WISH ALL OUR CUSTOMERS A MERRY CHRISTMAS & A HAPPY NEW YEAR!**

**LET'S LOOK OUT FOR ONE ANOTHER THIS FESTIVE SEASON.**
