Crime Trends (Past 4 Months)

Month	Incidents
June	5
July	9
August	3
September	4

 **Trend:** Overall decrease since July – thank you for staying alert!

Property Security: Unsecured Homes

Month	Unsecured Homes
June	15
July	21
August	16
September	10

 Still too many homes left open. Please double-check **doors**, **windows**, and **gates** before leaving!

Quick Home Security Checklist:

-  Lock all doors and windows
-  Arm your alarm system
-  Inform Calibre if you're away
-  Ask a neighbour to keep an eye out
-  Turn on outdoor security lights

Need help checking your system? We're here for you!

Notice to Service Providers

False alarm incidents caused by service providers:

- June: 18 | July: 16 | August: 26 | **September: 23**

 **Reminder:** All service providers must notify Calibre **before** accessing homes.

Failure to do so will be reported to property owners.

Thanks to those who follow the rules – your cooperation keeps everyone safe!

KEEP CALM AND CALL CALIBRE

Whether it's a late-night alarm, system check, or peace of mind you need – **we've got your back.**
