Our response vehicles covered 37,985 kilometers in the month of November. Every kilometer reflects our deep local presence - guards who live here, know every road, and respond swiftly when our community needs them.

CRIME TRENDS (LAST 2 MONTHS)

Month	Incidents
October	4
November	5

➡ **Trend:** Crime levels remain steady.

As we enter the festive season with more visitors and fuller homes, we encourage everyone to stay alert, secure their properties and report anything unusual. With community awareness high, we can maintain a safe holiday environment for all.

PROPERTY SECURITY – UNSECURED HOMES

Month	Unsecured Homes
October	16
November	14

Great progress! Fewer unlocked or unsecured homes means fewer opportunities for criminals. Thank you for stepping up your home security habits.

Quick Home Security Checklist

-  Lock all doors and windows
-  Arm your alarm system
-  Notify Calibre if you're away
-  Ask a neighbour to keep watch
-  Switch on outdoor security lights

Need a system check? We're just a call away.

NOTICE TO SERVICE PROVIDERS

False alarm activations caused by service providers:

- **October:** 18
- **November:** 13

All service providers *must* contact the Calibre office *before* entering any premises. Advanced notice helps prevent unnecessary alarm activations and ensures our response teams operate efficiently. Thank you to all clients who keep us informed - it truly makes a difference.

KEEP CALM AND CALL CALIBRE

Whether you need a late-night response, a system reset, or peace of mind — we're here 24/7.
