-

ATLAS CAMERA SYSTEM – ACTIVITY SUMMARY

	St Francis Bay	Santareme
• Total Activations:	5778	3690
• Calibre Responses Dispatched:	296	95

LOCAL PATROL COVERAGE – 27,000 KM

Our response team covered **27,000** kilometers in February, remaining highly active, attending to all alarms and reported incidents promptly.

CRIME TRENDS

January 10
February 12

 **Crime Trend:** In February, the community experienced several thefts and unlawful entry incidents. A number of suspects were apprehended during, or shortly after the events. Many incidents involved access through vulnerable or unsecured points, while some attempts resulted in no property loss.

PROPERTY SECURITY: UNSECURED HOMES

January 26

February 22

 Residents and tenants are urged to ensure that all doors, windows, and external areas are properly secured, remain vigilant, and report any suspicious activity to the authorities promptly. Continued neighborhood patrols and active community cooperation are essential in maintaining the safety and security of the area.

NOTICE TO SERVICE PROVIDERS

False alarm incidents caused by service providers:

January 15

February 9

Important Reminder:

A friendly reminder: all homeowners and tenants should ensure that their service providers notify the Calibre office prior to accessing any property. This helps our control room stay informed about on-site activity, prevents unnecessary alarm responses, and allows our teams to manage resources and response times more effectively.
