CRIME TRENDS

February 12
March 17

 **Crime Trend:** During March, our neighborhood experienced several security incidents, including theft, housebreaking, attempted break-ins, and trespassing. Our response officers responded promptly - some suspects were apprehended by the SAPS, and in certain cases, stolen property was recovered.

These incidents highlight the importance of ongoing vigilance, active community participation, and proactive security. Residents are urged to check that their alarm systems are in good working order and to consider upgrading outdated systems or addressing any blind spots. By staying alert, securing our properties, and reporting suspicious activity promptly, we can help protect our community and prevent future incidents.

PROPERTY SECURITY: UNSECURED HOMES

February 22
March 15

Attention Residents and Tenants: Please ensure that all doors, windows, and external areas are properly secured. Remain vigilant, stay aware of your surroundings, and report any unusual or suspicious activity to the authorities without delay. Your awareness and cooperation are essential to keeping our neighborhood safe.

NOTICE TO SERVICE PROVIDERS

False alarm incidents caused by service providers:

February 9
March 16

Important Reminder:

A friendly reminder: All homeowners and tenants are reminded that any service provider must inform the Calibre office before accessing a property. This allows our control room to monitor on-site activity, avoid unnecessary alarm responses, and ensure our teams can respond efficiently.

Compliance is essential to maintaining the safety and smooth operation of our community.
