March	16
April	15
May	23

Important Reminder:

We have seen a significant increase in incidents involving service providers accessing properties without prior notification, resulting in unnecessary alarm activations and security deployments. Homeowners and tenants are reminded that all service providers must be reported to the Calibre office before arriving on site. These avoidable incidents divert resources away from legitimate emergencies and compromise the effectiveness of our response capability. Your cooperation in adhering to this requirement is essential to maintaining an effective and efficient security service for the entire community.
